Confusion? Not an opening day! Bewildered Sophs startled by the size of Grendale High, wonder if they II ever unscramble the room numbers. Juniors and seniors are talking a mile a minute to catch up on the news on summer vacation. There's so much to talk about. Girls inspect each others new clothes while the guys discuss the fine points of their cars. Seeing who is in your classes is always important and newcomers are made welcome. Counselors do a remarkable job at scheduling, but occasionally a surprised and unwilling boy can find himself programmed in a ballet class.

By the second week the necessary program changes have been made, lockers have been assigned, and curios ty about one's locker runs high. After all, one will have to get along with this chap all year. The people who walk in darkness have seen the great light . . ." The spreading of light and truth throughout the world was the theme of this year's traditional Christmas program presented on the evening of December 11, for the community, and December 13, for the student body

This production represented the combined efforts of three hundred students who participated in the chorus, solos narrations and the construction of the tableaus

Miss Shirley Nute, with the help of Mr Robert Altheuser, combined the talents of the A Cappella Choir, Charalettes, Advanced Girls' Glee Club, the Lyric Club, Sophomore Girls' and Men's Glee Clubs and the M xed Chorus, into songs of the Christmas season

Student government has long been of great importance to Glendol tes and each election is followed with interest. To qualify for a GHS office, a student must maintain a "C" average in grades, have a high merit average, and have a petition signed by at least 85 students. The entire student body votes on proposed amend ments to the constitution as well as electing members to Cabinet. This past year Don Beck and Skip Newell held office as Vice Presidents while Bruce Jones was Director of Assemblies, Betty Slocum and Gay Miles, Secretaries; Sue Williams and John Robinson, Co-ordinators of Speech Arts; Bonnie Cook, Comptroller; Cecile Lash and Joan Henderson, Directors of Gills Athletics: Don Beck and Miles Haskin, Directors of Boy's Athletics; Cheryl Taliaferro, Co-ord'n ator of Fine Arts; Rosemary Montana and Donna Sodoma, Directors of Publicity, Kay Langton, Co-ordinator of Organizations; Sue Barlow and Ricky Blanchard, Head Song Leaders; John Sipple and Dick Denny, Head Yell Leaders; and the members elected to Student Court were Bob Ray and Stu Szidak

Glendale 20 Glendale opened their league play by pounting a completely outclassed Pasadena eleven into submission 20 to 0. The outmanned Bulldags never were in the game netting any 52 yards passing and rushing to the devastating Dynamiters. 34 yards total Pasadena, however was without the services of their representance probably would have made very little of even their representative high-geared Glendale crew which ran and passed arms at at will. This game was a fine example of Glendale cracking and spirit

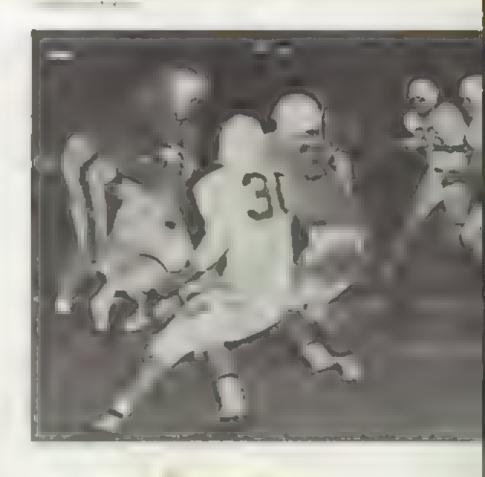

Pre-League Games

Gend, High signed teaque season ended with a one and three record. The Nitros dropped the tirst game of the season to a fine El Monte eleven by a close 8 to 7 tally. The next week found Grendole losing by 20 points in a 27 to 7 game against Santa Monica. Finally, the talles were turned when the Dynamiters deleated the once powerf. A hambra Moors. Another close game to lived and found the Dyna's coming out on the short end of a 7 to 6 thriller with California High School. Despite the one and three record the narrow losses indicated the Dyna's as a potent a power in the league race.

It appeared to some that Roy Vujovich's fighting eleven was slightly over-confident for this one. However, right or wrong, it was a tight game all the way and presented a thrill a minute. Too much credit could not be given to the Nitro defensive unit, which played outstanding football, and were very instrumental in the Glendale victory. The Glendale offensive unit made good use of the breaks made by the Dyno defense

A determined Glendale-High football team moved into the city series lead by pounding a weak Hoover eleven in a second half comeback.

The series, which started in 1930, was field going into this year's game at thirteen wins for each school. In the last three years Glendale has shown outstanding performances in this Rose Bowl classic

Glendale left a 12 to 12 ball game when the gun sounded ending the first half. But the game went on to prove that a completely new Glendale eleven emerged from the dressing rooms for the second half. Glendale showed this by rounding up a 26 point lead by the time the final shot was fired. A strong Nitro defense set up several of Glendale's six tallies, while a quick Dyno offense out first-downed the Tornadoes 13 to 4. Glendale outgained Hoover 280 yards to a meager 122

Marks at close in. Phil's defensive play was instrumental in several Nitra victories

Glendale 19 Muir 20

The Dynamiters gave a capacity crowd at Moyse Field everything but one needed point in this thrill-packed game. By a thin margin of two misfired conversions, Glendale missed scoring one of the big prep up-sets of the season. The heavily favored Mustangs scored two quick touchdowns in the first quarter and another in the first few minutes of the second, giving them a 20-0 lead

At this point Glendale came to life. Glendale's fine offensive unit sparked to overcome the 20 point deficit, by scaring two touchdowns in the second quarter, but missed the two conversions. The Dynamiters scored one more TD in the third quarter and kicked the extra point, but the damage was already done A scoreless, but hard-fought fourth quarter found the Mustangs still in the lead, 20-19

Track, the most ancient of sports, flourishes at Glendale High under the guiding hand of Coach Lon Graf. Loaded trophy cases attest to the ability of Glendale's Varsity Trackmen who have run off with the Foothill League honors four years in a row. Over the years Glendale's track record has gone virtually untouched by the other five schools in the league. Not only does Glendale have a fine record, but a fine reputation

Varsity

Here's one that didn't count. Dyno outfielder Doug Stringer crosses the plate too late to beat throw to Hoover catcher Frank Frederick.

The Glendale horsehiders opened the season with three wins in four games against the Grendale College team, followed by a 19-3 win over the Occidental College freshman team

Against the Glendale College Vaqueros, the Nitros won by scores of 2-1, 16-5, 4-3, and lost 8-5

Nitros lost to Burbank, followed by wins over Pasadena 7-2, Hoover 10-6, and Pasadena again 9-6. The three wins in league play so far have been scored by Junior Darrell Sutherland, winner of the 1957 Babe Herman award as a sophomore

Following the Burbank lass, the Dynos' three game win streak sent them to the top, where they expect to remain perhaps for the whole season. The 7-2 win over Pasadena was highlighted by Darrell Sutherland's one-hit pitching. The Hoover win was also a result of Sutherland's fine pitching, and some solid hitting on the part of Bab Parker, Barry Battrell, and Tom Bonetto, who collected two hits each. Shortstop Denny Simila sparked the second win over Pasadena, as he paced the Dyno hitting attack with a home run and a bases-loaded double to drive in five runs. With this hitting and pitching, the Dynos will go a long way this season.

Here s a close play at first base as centerfielder Bob Parker barely beats the throw from Hoover Pitcher Pat Staker to Purple first sacker Tom Rike

Cross-Country

Cross Country

Moth's Brown gets set to run a time trial on the Grendale track while coath can Graf clacks him.

This year, as in the past two years, Glendale's fine championship cross-country team walked away with Foothill League honors. The only meet the Harriers lost was to Burroughs High School

This meet fell on the same day as the Oratorical and the team was almost too excited to run. However, in the League Meet when all the schools in the Footh II League ran in one race, Glendale won with ease, placing five scoring men in the first eleven to finish. The team's champ onship quality can be traced to the hard workouts at the hands of Coach Pat Logan from Occidental College, and the fine experience of Head Coach Lon Graf

Tennis

Last year the Tennis squad won the League Championship. With many of their lettermen back, such as Callett, Dawson, Lisk, and Weeshoff, they expect to win it again. As yet they are undefeated owing in part to the playing of Wayne Callett, the best player in the Foothill League and one of the better high school players in Southern California

Varsity Swimming

Swimming for the second year in their new pool, Glendale's Vars ty swim squad is undefeated with only four more meets to go. Coach Ted Andrews is confident that the team will take Foothill League honors again this year and have a good chance in the CIF finals.

Memorable Sports Moments '57 - '58

Bud Teacheut, Boys P.E. Department Head --- The wonderful work done by the coaching staff here at Glen itale. This year it was deemed a fitting ending for the Sport's Section to include a special page for coaches. In a brief interview each coach was questioned as to the most memorable event or incident that happened to him or his team during the '57-'58 season. Since Tennis, Swimming, Baseball and Track are not completed until after the book goes to press, there may be more exciting events turn up in these sports before the end of the season. However, these are the events cited by the coaches to date

Rey Vojevich, Varsity Football — The Muir game where we came from a 20 0 defect in the first quarter to within 2 points of winning in the last goarter.

Word

All good things must come to an end and the 1958 Stylus is no exception. But before we close I would like to thank the numerous people who assisted and helped our staff in its many tasks First to Mickey and Burt of Dunlap-Turney for the beautiful job dane on the senior portraits. Thank you fellos! I am indebted to "Yearbooks, Incorporated" for answering our million and one questions and for putting up with the many changes in layout and copy. Behind every editor there is an advisor and to the most advisable advisor, Mr. W. B. Graham many thanks. To all the faculty and administration who understood and co-operated with our sometimes un-convenient schedule, "pedagogues merci." Behind the scenes of this production lurked several unthanked humanitarians. The one who will remain first and foremost in my mind is Newtie, the Madonna of the switch board, who knew just where to find everyone and every thing. Also to Nick the custodian who cleaned up our abominable mess in room 311 every night. My special thanks goes to Linda Kunka who coedited with me first semester. Not to overlook the photographers and lab assistants who put in many extra hours. Finally to the staff, thanks "group" you were great! It has been my task, nightmare and delight editing your annual and I hope that it will be your pleasure now and in the years to come reading it, thumbing through it and enjoying it.
